

# *The 12th Annual* **OVAL RACING EXPO**

**Arena Essex Raceway - 21/22 January 2017**

The Oval Racing Expo will again feature promotional invitation races for NASA Autograss and SEGTO Grasstrack cars.

Please note that these races are intended for NASA and SEGTO eligible cars only. If you have a car that is raced only on hard surface tracks, we also have a class for Open Hot Rods that all Hot Rod type cars are welcome to enter.

All timings and race formats quoted are provisional – these will be confirmed, together with grid positions, in the final instructions that will be made available online during the week before the event.

The timetable will be similar to last year. Both Saturday and Sunday will be afternoon events – gates open at 10.00 am both days.

**Saturday 21 January and Sunday 22 January**  
**Start time 12.00 noon , finish approx 6.45- 7.00 pm**

NASA and SEGTO cars will race together. Entries will be accepted in the following groups. These groups will be combined as necessary so that the total number of races required can be fitted into the timetable.
